

## **2016 TESPА WREATH CAMPAIGN**

TESPA is commencing its annual Christmas wreath campaign, which we hope will help get you into the festive spirit! Share our wreath order with family, friends, neighbours and co-workers to help raise funds for our children.

We are again working with DeLong Farms from New Germany this year – who will bring us beautiful double-sided balsam fir wreaths and garland. DeLong Farms is a dependable, family run business which has been growing and marketing Christmas trees and wreaths since the 1950's.

They have a vast assortment of online options although we will be keeping to our traditional offering of 12, 16 and 24-inch ring sizes. We will also be offering garland in 18-foot coils that you can use to decorate your mantel, window frames, stairs or tabletop!

Remember that when you purchase a TESPА wreath you are helping to support the children of Tantallon Elementary Schools while helping to support a local Nova Scotia business as well. DeLong Farms has tough grade standards which provide consistent quality wreaths with good needle retention, excellent fragrance and a deep green color. Your home will look and smell lovely with these products if used indoors!

**Our campaign will run from 2<sup>rd</sup> November through to 16<sup>th</sup> November. Please ensure you get your orders in as you won't be disappointed in the quality wreaths or garland that DeLong is manufacturing for us!**
