## TESPA SPRING PLANTER FUNDRAISER 2017

"I'm so happy that TESPA continues with my favourite fundraising campaign each Spring. I'm a big fan of the gorgeous Spring planters and have always been incredibly pleased with the quality of the medium sized planters. They are bursting with colour and are loaded with a wide variety of flowers that often are not paired together, but look fabulous. They are super easy to keep vibrant, beautiful and blooming all summer long. The question isn't "am I going to order?" ..... it's "how many???"
